Work Experience

Milwaukee Tool | Milwaukee, WI

Associate Industrial Designer | May 2025 - June 2026

Staff Industrial Designer | June 2026 - Present

Worked in the development & presentation of both softgoods and hardgoods products for 10+ projects spanning the PPE line of products. Expanded softgoods knowledge through the development of fabric visualization patterns, industrial sewing machine training, and onsite courses in textile development.

Priority Designs | Columbus, OH

Industrial Design Intern | August - December 2024

Developed and Presented ideation & concepts on 5+ projects. Extensive use of Photoshop, Illustrator, Solidworks, After-Effects, and Keyshot in communication with design and engineering teams. Advanced photoshop renderings for final presentation to clients and personal project in refining solidworks skills.

Mentors & Muses | Cincinnati, OH

Mobility Mentor | May - August 2024

Weekly direction and advisement of five muses focusing on visual communication, general hard-skill improvement, and mobility design theory/research methods.

Crown Equipment Corporation | New Bremen, OH

Industrial Design Intern | December 2023 - May 2024 | May-August 2023

Developed & presented ideation and concepts for production on 20+ projects. Extensive use of Photoshop, Illustrator, Keyshot and Fusion 360 in idea generation and communication with both design and engineering teams. Advanced surfacing, sculpting, and modelmaking experiences in developing concepts for presentation and engineering approval.

Waupaca Foundries | Etowah, TN

Tooling Intern | December 2021 - April 2022

Five month internship spent designing core box tooling and patterns for manufacture. Responsibilities include: gating calculation & design, corebox design & maintenance, mig & spray welding, CNC lathe, and MAGMA software experience.

Education

University of Cincinnati | Fall 2020 - May 2025

College of Design, Architecture, Art, and Planning
Bachelor of Science in Industrial Design | 3.68 GPA
Class of 2025
